

# I'm Mohamad Moradiyani

3D / solid expertise in NFT collectible creation

I'm Mohamad Moradiyani, a seasoned 3D Art Director with 7 years of expertise in 3D design. My experience blends artistic flair with technical proficiency, enabling me to craft captivating and trendsetting visuals. I've led creative teams, mastered industry tools, and consistently exceeded client expectations. My passion lies in translating concepts into visually compelling experiences, making me an asset for innovative projects across industries.
